FUND DRIVE

Dear Neighbor,

For 80 years, the Lower Providence Township Volunteer Fire Company has proudly provided Fire, Rescue, and Emergency Services to our community. Every call we answer, every neighbor we protect, and every life we touch is made possible because of the partnership between our dedicated volunteers and the generous support of residents like you.

Thanks to your contributions in 2024, we achieved several important milestones. With your help, we:

- Outfitted four new firefighters with lifesaving gear.
- Completed critical station improvements that allow our members to remain on-site and ready around the clock.
- Placed our new 2025 Pierce Enforcer Engine in service, replacing a 23-year-old apparatus and ensuring reliable response for years to come.

These successes reflect the power of community support. Your donations directly provide the equipment, training, and facilities our volunteers rely on to keep Lower Providence safe.

As we look ahead, our needs remain significant. Our three largest expenses continue to be:

1. Firefighter equipment – protective gear that keeps our members safe.
2. Apparatus – engines, trucks, and rescue vehicles that get us to your door.
3. Building upkeep – ensuring our station is always ready to house the people and tools needed.

Our annual Fund Drive donation is the easiest and most effective way to help. By contributing, you are directly supporting the volunteers who devote countless hours to protecting our community while gaining valuable skills in leadership, teamwork, and public service.

Did you know in 2024 LPFD responded to 770 total calls for service? These calls included structure fires, vehicle fires, fire alarms, accidents with injuries, rescues and EMS assist calls totaling 2234 hours in service. Additionally, responders spent 3024 hours of training at various fire academies, and our weekly drill nights.

Please consider making a tax-deductible donation today. Your gift, no matter the size, strengthens the foundation of your fire company and ensures we can continue to answer the call-day or night-for our neighbors. On behalf of our members, thank you for standing with us. Together, we are:

“Neighbors Helping Neighbors—Stronger Together.”

With gratitude,

The Officers & Members of the Lower Providence Township Volunteer Fire Company
